v.	:	99-20593
AMERICAN HOME PRODUCTS CORPORATION	:

Appellant: Arbitration No.. Claim No.: 183/00	:	REPORT AND AWARD OF ARBITRATOR

FINDINGS OF FACT

1. On [redacted] the AHP Settlement Trust ("Trust") issued a Final Determination denying the claim of [redacted] for Matrix Compensation Benefits.

2. On [redacted], [redacted] filed an appeal from the denial of benefits by the Trust, requesting that the United States District Court ("Court") refer this matter to Arbitration.

3. On [redacted] the claim of [redacted] was referred by the Court to Arbitration pursuant to VI.C.4(h) & (i) or VI.D.1.(f) & (g) of the Nationwide Class Action Settlement Agreement with American Home Products Corporation.

4. On the Arbitration Initial Contact Form dated [redacted], [redacted] waived her right to an Arbitration Hearing and requested that the Report and Award of Arbitrator be based solely on the arbitration record.

5. The Trust determined that [redacted] was not entitled to any Matrix Compensation Benefits on the basis that she failed to supply the documentation required to establish Diet Drug ingestion.

6. In her statement of the case, [redacted] requests benefits based on alleged medical symptoms and conditions purportedly caused by the use of the Diet Drugs. In her Green Form, [redacted] indicates that she believes she is entitled to Matrix A-1 Benefits. See Green Form, Part I, page 4, question 6.

#### ANALYSIS

##### FUND A ISSUES NOT COVERED BY ARBITRATION PROCESS

1. The Settlement Agreement provides for two funds, Funds A and B, which were established to provide benefits to class members. See Settlement Agreement, Section III.A.1; Memorandum and Pretrial Order No. 1415 (August 28, 2000) at 62. Fund A provides funding only for non-Matrix specified benefits and expenses, e.g., drug refunds and echocardiogram reimbursement. See Settlement Agreement, Section IV.A; Memorandum and Pretrial Order No. 1415 (August 28, 2000) at 62. Fund B provides funding for Matrix Compensation Benefits. See Settlement Agreement, Section IV.B; Memorandum and Pretrial Order No. 1415 (August 28, 2000) at 62.

2. The arbitration process only covers determinations made regarding Fund B and the eligibility of claimants to receive Matrix Compensation Benefits and/or the amount of Matrix Compensation Benefits they are entitled to receive.

##### MATRIX ELIGIBILITY AND QUALIFICATION

1. Under the Settlement Agreement, Matrix Compensation Benefits are paid according to two matrices. See Settlement Agreement § IV.B.2.d. The A Matrix, or the full

compensation matrix, applies to claimants who: (1) have been diagnosed timely as FDA Positive; (2) ingested the diet drugs for sixty-one (61) or more days; and (3) have no conditions requiring a reduced payment under the terms of the Settlement Agreement. See id. § IV.B.2.d.(1). The B Matrix, or reduced compensation matrix, applies to claimants who: (1) have been diagnosed timely with Mild Mitral Regurgitation (regardless of the duration of ingestion of the diet drugs); or (2) were diagnosed timely as FDA Positive and ingested the diet drugs for sixty (60) days or less; or (3) were diagnosed timely as FDA Positive, ingested the diet drugs for sixty-one (61) or more days, and have certain conditions, identified in the Settlement Agreement, that may have caused or contributed to the claimant's heart problems. See id. § IV.B.2.d.(2).

2. In determining the length of diet drug usage, Section VI.C.2.d of the Settlement Agreement requires the claimant to submit documentary proof concerning the period of time the diet drugs were ingested. Specifically, the claimant must submit pharmacy records documenting the claimant's name, prescribing physician information, diet drug name, date(s) prescribed, dosage and duration the drug was prescribed or dispensed. If a physician or weight loss clinic prescribed the diet drugs directly, or pharmacy records are unobtainable, a claimant must identify the prescribing physician, including the prescribing physician's name, address and telephone number, and submit a copy of the medical records prescribing or dispensing the drugs. If the pharmacy records and medical records are unobtainable, a claimant must submit an affidavit under penalty of perjury from the prescribing physician or dispensing pharmacy identifying the claimant, the drug prescribed or dispensed, the date(s), quantity, frequency, dosage and number of prescriptions or refills of the diet drug(s) to document ingestion. See id. § VI.C.2.d.(3).

3. submitted a Green Form dated
4. In the Green Form, reference is made to an echocardiogram which was performed on (See the Green Form, Part II, dated , page 8, at questions C.1 and C.2).
5. The Green Form submitted by reports moderate mitral valve regurgitation and no aortic valve regurgitation. (See Green Form, Part II, page 8, question C.3).
6. The answers to the questions in Part II of Green Form were completed by her physician, , a Board-Certified Cardiologist. (See Green Form, Part II, page 7, Section A).
7. submitted a Blue Form dated
8. According to questions 7 and 8 of Blue Form, dated , answered that she took Redux for 61 days or more.
9. In her statement of the case, states that the physician who prescribed the diet drugs she ingested is deceased and that the pharmacy where she purchased the diet drugs was destroyed by fire. However, the record establishes that failed to submit to the Trust the required documentation needed to establish that she had ingested diet drugs.
10. failed to submit any pharmacy records documenting the claimant's name, prescribing physician information, diet drug name, date(s) prescribed, dosage and duration the drug was prescribed or dispensed; failed to submit a copy of any medical records prescribing or dispensing the drugs; and failed to submit any affidavit under penalty of perjury from the prescribing physician or dispensing pharmacy identifying the claimant, the drug

prescribed or dispensed, the date(s), quantity, frequency, dosage and number of prescriptions or refills of the diet drug(s) to document ingestion. See Settlement Agreement § VI.C.2.d.(3).

11. As a result, the Trust determined that [redacted] failed to supply the required documentation needed to establish that she had ingested diet drugs. I conclude that the Trust's analysis and determination were not clearly erroneous.

#### CONCLUSIONS

1. The Claimant failed to provide documentary proof of diet drug ingestion to the Trust as required by the Settlement Agreement.

2. Based on the above, the findings of the Trust are not clearly erroneous as set forth in Rule 5 of the Rules Governing the Arbitration Process.

3. The final determination of the Trust is affirmed.
